about the area:

Oak Island is a family-friendly beach community with a small-town atmosphere. The Town boasts 65 public beach accesses on miles of sandy beaches, as well as fishing docks and piers, boat ramps and many other access points to the Intracoastal Waterway and the Davis Canal, making it the perfect location for fishing, boating, kayaking and other water activities.

The Town also has a municipal golf course, eight parks, and baseball and football fields. There is a skate park, a dog park, a cabana on the oceanfront with an observation deck and plenty of places to find a quiet spot to relax and enjoy the view. Area businesses, like piers and marinas, restaurants and ice cream shops, also help make vacationers feel welcome while catering to full-time residents.
